**AGENDA - ITALY  
POSITIVE ECONOMY FORUM  
SAN PATRIGNANO 9-10 APRIL 2015**

---

Every single  
person,  
enterprise,  
region  
and nation  
must act now to build a global positive economy.

**12 ACTIONS**

**Positive economy: areas of action in Italy for 2015**

1. Complete the actions proposed for the previous year (GDP review).

**TRAINING**

2. Education and training for individuals.
3. Dissemination of international best practices in schools to boost individual potential.
4. Support the practical implementation of actions proposed by the CRUI<sup>1</sup> at the Positive Economy Forum San Patrignano 2015.
5. Dissemination of international best practices to develop Life Long Learning.

**WELFARE**

6. Reduce poverty and increase safety.
7. Dissemination of best practices proposed by the business world for the defence, health and development of local areas.

---

<sup>1</sup> CRUI is the acronym of the Conference of Italian University Rectors

8. Help to make the transition from Social Welfare to Potential Welfare.
9. Women Empowerment.

## **ENVIRONMENT**

10. Safeguard the environment by addressing climate change and how to preserve biodiversity.
11. Rule of law to combat corruption.
12. Commitment to adding animal conservation and access to credit as Sustainable Development Goals.
